A Post in Congress. There is a post in the House of representatives, and his name is Smith, says the Washington Post. He comes from a Pennsylvania town of the mellifluous name of Punxsutawney, and, strange to say, in view of the native modesty which has prevented him from making known his identity, his stanzas have been printed from one end to the other of the country. Here is one:

Said the little-at-the-lie
To the God-goo-foo-lie,
"It's very apparent to me
That somewhere back in
These woods there dwells
A horrible Ju-jub-jee."

Grewasme Belle of Quantrell. The Kansas State Historical society has the thigh bones of Quantrell, the notorious guerrilla leader, says a Topeka dispatch. They were presented to the society by W. W. Scott of Canal Dover, O., on condition that they should not be exhibited until after Quantrell's mother died. Her death now permits the society to register them and put them on exhibition. Mr. Scott presented them to the society in 1888. He said that he was with Quantrell when the guerrilla was killed. Twenty years later he examined the skeleton.

TIME IS THE BEST.

The Testimony of Barre People Stands the Test.

The test of time is what tells the tale: "A new broom sweeps clean" but will it wear well is what interests most. The public soon find out when misrepresentations are made and merit alone will stand the test of time.

Barre people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills, they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

Mrs. N. M. Nelson (N. M. Nelson, ex-Superintendent of streets), residence 18 West Street, says: "I felt so well pleased with the results obtained from the use of Doan's Kidney Pills in the winter of 1897 that I gave for publication a statement, the gist of which was as follows: An attack of la grippe, some eight years before, left me in poor health. As time went by I grew worse instead of better. A second attack prostrated me and still weakened my condition physically. I paid over \$100 for doctors bills and medicines, but I might as well have used as much cold water. To accurately describe my condition and tell what I suffered is an utter impossibility. The slightest housework tired me. If on my feet an hour or so, sharp pains across my back, extending downwards, compelled me to stop and rest. At night when I went to bed the very place where a mortal expects rest and comfort was the very place where I never received it, and, as might be expected, I arose in the morning poorly prepared for the commonest household duties. In time other complications arose and accompanying the backache which was severe enough of itself, trouble with the kidney secretions set in. I became discouraged and often I wonder how I pulled through. One day Mr. Nelson brought home a box of Doan's Kidney Pills from E. A. Brown's drug store and insisted upon me taking them. If a dose of two had not brought decided results I would never have continued the treatment until they stopped a decidedly acute and possibly dangerous attack. I have never ceased to recommend Doan's Kidney Pills to friends and acquaintances during the five years which have elapsed since that preparation first came to my notice."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

A Few Words About the Union Label.

Open the oven door of any "Built to Bake" Household Range and inside you'll find the label of the Iron Moulders' Union. Every union man knows what that little slip of paper means, and to those who don't we will say that it is a guarantee of good workmanship and good material.

Household

ranges are union made from start to finish and the Household makers were first to adopt the union label.
